Redesign of PEN-International Web Pages

http://www.pen.ntid.rit.edu

E. William Clymer

June 24, 2005
Goals of Redesign

- Existing Website Served Well for Five Years
- Improve “Universal Portal” Concept
- Easier to Use
- Improve Access to Information
Objectives

- Better User Interface
  - Design by Consultant;
  - Maintained and Updated by PEN Staff
- Provide Platform for Posting
  - News
  - Workshop/Training Resources
- Searchable
- Archive for Annual Report
The Process with Consultants

- Design Brief               Apr 05
- Develop Site Architecture  May 05
- Identity Enhancement       Jun 05
- User Interface             Aug 05
- Programming & Testing      TBD
- Publish Site               Mar 06
Our Purpose

**PEN International** is greaking and for position only. This is greaking and for position only. This is body copy and for position only. This is greaking and for position only. Our Purpose

**PEN International** is working hard to ensure that students who are deaf and hard of hearing have equal access to postsecondary education. This is our purpose, and we are working towards it in many ways.
