Hi!

I am a proud alumus of UWM. I graduated from UWM in 1997, and went on to work at the Wisconsin School for the Deaf. After two and a half years there, I started working for the Bureau for the Deaf and Hard of Hearing. BDHH is one of our state agencies that provides information, resources and advocacy for those who are Deaf and Hard of Hearing. Once the Student Advisor position opened, I was thrilled to come back "home" to UWM and start working in a post-secondary environment.

Stop in anytime if you have questions, concerns or just want to say hello! My door is always open in Mitchell 116.

Have a productive school year!
