Anna Salvador’s Experiences in Student Leadership Institute 2010 in England
What I have learned in the Institute?

- I learned a lot of new concepts about leadership.
- I learned how to be a better leader through the activities.
- I learned about the different cultures of other countries through the presentation of other groups.
I felt very different because I was away from the Philippines and I could focus on many topics about leadership. I met different Deaf people from other countries.
What do I have planned?

- I have many plans.
  - To join other organizations where I feel that I am needed.
  - To make new creative projects.
  - Give seminars and workshops regarding leadership.
I am thankful!

- I am glad that I learned a lot about leadership.
- There are a lot of new things that I discovered about myself such as leadership qualities.
- I learned some history about England through the day trip in London.

I am grateful that the PEN-INTERNATIONAL TEAM gave us this very good opportunity where we got a lot of benefits.
Other things I want to share:

- I will forever remember the SLI 2010.
